Answer

MINISTER OF HUMAN RESOURCE DEVELOPMENT
(SMT. SMRITI ZUBIN IRANI)

(a) to (d): Management Information System (MIS) for Mid Day Meal Scheme (MDMS) is in existence since June, 2012 and all the States / UTs are making annual and monthly data entry into the portal on key indicators of the Scheme for online monitoring. An Interactive Voice Response System (IVRS) for near real time monitoring of the Scheme is under consideration in the Ministry. In addition, the States / UTs have established Grievance Redressal Mechanism at various levels in their States with a toll free number for addressing the grievances of stakeholders.
